The Approach

How did you select this vendor and what were the deciding factors?

We looked at 3 different companies and after meeting with each we felt like Triface International how to team and support to execute the project on time. We were correct!

Describe the project in detail and walk through the stages of the project.

Several different stages involving angels, shots, topography, designs and at each stage we requested revisions and approval to move forward which was extremely helpful.

How many resources from the vendor's team worked with you, and what were their positions?

We worked with 3 different team members who were each specializing in a specific task.

The Outcome

Can you share any outcomes from the project that demonstrate progress or success?

Extremely happy clients!

How effective was the workflow between your team and theirs?

Incredible communication and they stayed true to that for the duration of the project.

What did you find most impressive or unique about this company?

We were impressed with their attention to detail.

Are there any areas for improvement or something they could have done differently?

No, they nailed it out of the park!
