

# 3D Garden Rendering for Urban Designer

## PROJECT DETAILS

 Video Production

 Sep 2021 - Sep 2021

 Less than \$10,000

*"Their way of really thinking with you and wanting to deliver a good product was impressive."*

## PROJECT SUMMARY

Triface International created a 3D garden rendering for an urban designer. This involved doing several tests to ensure the animation would render correctly.

## PROJECT FEEDBACK

The rendering animation has not been presented at present, but the client commented the team at Triface International was easy to communicate with and very helpful.

## The Client

Please describe your company and your position there.

I am the Block stedenbouw from the Netherlands. I work in urban design and in Architecture.

## The Challenge

For what projects/services did your company hire Triface International, and what were your goals?

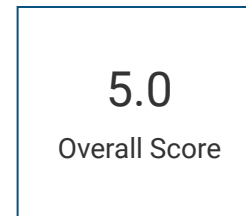

I wanted to render an animation from a garden and house in 3d for my client, to give a good view on his new to realize house and garden.

 **Davy van den Brink**  
Owner, De Block  
Stedenbouwkundig Ontwerp

 **Design**

 **Netherlands**

### CLIENT RATING

Quality: 5.0

Schedule: 5.0

Cost: 5.0

Would Refer: 5.0

## The Approach

How did you select this vendor and what were the deciding factors?

I chose for Triface because they gave me very good service! They are very good in communication and also reacted fast. They also think along with you, which felt very helpful!

Describe the video(s) and the process in detail, including the project steps and all stages of production.

I started looking on the website. Then they contacted me via whatsapp. From there we communicated about the rendering process. We did several tests to be sure the animation would render correctly.

Who did you work with and what was the feedback process like?

I worked with Chitranjan Dunakhe the founder of Triface and his project manager named Mohit.

## The Outcome

Can you share any outcomes from the project that demonstrate progress or success?

I still have to present it to my client.

Describe their project management style, including communication tools and timeliness.

Very easy and fast in communication. They were very helpful.

What did you find most impressive or unique about this company?

Their way of really thinking with you and wanting to deliver a good product was impressive.

Are there any areas for improvement or something they could have done differently?

No
